UPDATE: THERAPY FEE SCHEDULE CHANGES

Date: 06/09/16

On June 6, 2016, the Texas Health and Human Resources Commission (HHSC) announced changes to its therapy fee schedule, effective July 15, 2016.

Question: How does this announcement impact Superior's fee schedule changes that are scheduled take effect on July 1, 2016?

Answer: Superior is analyzing the impact of HHSC's fee schedule changes. Once this analysis is complete, we will provide written notice to all therapy providers affected by any updates to Superior's previous letter and amendment regarding fee schedule changes. This notice will clarify the rates at which we intend to reimburse providers for therapy services administered by a licensed therapist or a therapy assistant.

Superior will require all providers to bill using the UB modifier when services are rendered by a therapy assistant. This includes Early Childhood Intervention (ECI) services.

Please contact your Provider Relations representative with any questions.
