## THERAPY FEE SCHEDULE CHANGE UPDATE

Date: 07/01/16

In a previous communication to providers, Superior HealthPlan announced that fee schedule changes related to therapy services would take effect on July 1, 2016. Since then, the Texas Health & Human Services Commission (HHSC) has announced changes to its therapy fee schedule, which goes into effect July 15, 2016.

To minimize confusion, Superior will delay its implementation of fee schedule changes to align with the July 15 effective date announced by HHSC.

Superior will provide written notice to all therapy providers impacted by the previous correspondence and amendment regarding fee schedule changes. This notice will clarify the rates at which Superior will reimburse providers for therapy services administered by a licensed therapist or a therapy assistant.
